Re: Remedial Investigation Addendum, dated January 25, 2018

The U.S. Environmental Protection Agency has reviewed the revised Remedial Investigation Addendum for Operable Unit-1 of the West Lake Landfill Superfund Site submitted by the Respondents on January 25, 2018. The EPA hereby approves this document in accordance with the Remedial Investigation/Feasibility Study Administrative Settlement Agreement and Order on Consent, or RI/FS ASOC, Docket No. VII-93-F-0005, and the Abbreviated Work Plan for Remedial Investigation Addendum and Final Feasibility Study, dated May 6, 2016.

Sincerely,

A handwritten signature in blue ink, appearing to read "Chris Jump", is positioned below the word "Sincerely,".

Chris Jump
Remedial Project Manager
Site Remediation Branch
Superfund Division
